Dear Mr. Bonisteel:

On February 28, 2002, the Department of Environmental Services, Waste Management Division (DES) conducted an inspection of Lewis and Saunders, Inc. (Lewis and Saunders). The purpose of the inspection was to determine Lewis and Saunders' compliance status relative to RSA Ch. 147-A and the New Hampshire Hazardous Waste Rules, Env-Wm 100-1100.

As a result of the inspection, Lewis and Saunders was issued Letter of Deficiency No. WMD 02-26 (LoD). Based upon a review of Lewis and Saunders' submittals, DES has determined that your facility has corrected the deficiencies identified in the LoD.

Please be advised that DES will continue to monitor Lewis and Saunders' compliance status through record reviews and on-site inspections.

This Letter of Compliance does not release Lewis and Saunders from liability for penalties to which it may be subject for the deficiencies identified in the LoD.

If you have any questions regarding this letter, please contact the lead inspector, Nancy Leland or John J. Duclos, Supervisor of the Hazardous Waste Compliance Section, at (603) 271-2942. Thank you for your cooperation.

Sincerely,
